Advancing Research & Patient Care

We are thrilled to invite you to the most anticipated gathering of international MDS experts. Join us for the MDS 2025 Congress in Rotterdam, where you'll have the opportunity to explore the forefront of Myelodysplastic Syndromes, connect with leading international experts, and gain valuable insights

into the latest advances, discoveries, basic and translational research, as well as MDS diagnosis, prognosis, and management. Mark your calendars and stay tuned for more details as we embark on this exciting journey towards MDS 2025. Together, we can make a difference in the field of Myelodysplastic Syndromes.

We look forward to meeting with you in Rotterdam!
