

MDS 2025 Travel Grant Criteria and Instructions

The Myelodysplastic Syndromes (MDS) Foundation is delighted to offer 15 travel grants of up to \$1,150 each, and 5 travel grants of up to \$1,500 each for participants from low-income countries. Each travel grant is aimed to help covering awardee's travel expenses.

Eligibility

To be eligible for a travel grant you must:

- Submit an abstract to the congress.
- Recipients of the travel grant are required to register and attend the congress.
- The grant will be awarded to the presenting author.
- The Presenting author must be under 40 years old to qualify.

The Travel Grants Committee will evaluate all applications after the regular abstract submission deadline.

Successful applicants will be selected based on the quality of their applications and abstracts.

Please be aware that the winners will receive their prize money after the congress via an online reimbursement system.

*Notifications to applicants will be sent in March 2025.
