An exclusive handling agent will be designated to the **MDS 2025**. The exclusivity of an agent for the handling needs of congresses refers specifically to work inside the venue. Exhibitors may use their own couriers up to the venue door and from outside of the venue door at the end of the Meeting. This organisational decision has been made for the safety and efficiency benefits to exhibitors and for the successful flow of the Meeting.

If an exhibitor chooses to use a handling agent other than the one designed as the exclusive provider for MDS 2025, additional charges will apply in accordance with the shipping instructions outlined in the exhibition manual.

PROMOTIONAL ACTIVITIES

All demonstrations or instructional activities must be confined to the limits of the exhibition stand. Advertising material and signs may not be distributed or displayed outside the exhibitor's stands. Sound equipment must be regulated and directed into the stand so that it does not disturb neighbouring exhibits. Exhibition Management reserves the right to require the exhibitor to discontinue any activity, noise or music that is deemed objectionable.
